VIRGINIA WASTE MANAGEMENT BOARD ENFORCEMENT ACTION – AMENDMENT TO ORDER BY CONSENT ISSUED TO WOOD PRESERVERS, INC. EPA I.D. No. VAD003113750

SECTION A: Purpose

This is a Consent Order issued under the authority of Va. Code § 10.1-1455, between the Virginia Waste Management Board ("Board") and Wood Preservers, Inc., regarding the Wood Preservers, Inc. Warsaw facility, for the purpose of ensuring compliance with the Virginia Waste Management Act and the applicable regulations.

SECTION B: Basis for Amendment

1. On September 30, 1994, the Board issued Wood Preservers, Inc. a Consent Order ("1994 Order") regarding post-closure care for the hazardous waste surface impoundments closed as landfills at the Wood Preservers, Inc. Warsaw facility ("Facility"). The order was necessary because at that time, Wood Preservers could not meet its obligation for financial assurance as prescribed by 40 CFR §264 Subpart H. The Order required that Wood Preservers follow a 12 year payment schedule in order to meet its financial assurance obligations. Appendix A of the 1994 Order incorporated the post-closure care plan for the Facility.
2. On September 25, 1998, the Board modified Appendix A of the 1994 Order to incorporate groundwater corrective action requirements for the Facility.
3. On February 10, 2009, Wood Preservers requested a modification to Attachment L of its post-closure care plan. The modification request was made in accordance with the United States Environmental Protection Agency's Burden Reduction Initiative Final Rule, which has been adopted by the Commonwealth of Virginia.

4. The revised Attachment L of the post-closure care plan is incorporated as Appendix A of this Amended Order. All terms of the 1994 Order and all other portions of the modified Appendix A issued on September 25, 1998 remain in effect.

SECTION C: Agreement and Order

Accordingly, by virtue of the authority granted it in Va. Code § 10.1-1455, the Board orders Wood Preservers, Inc., and Wood Preservers, Inc. agrees to abide by Appendix A of this Amendment, which supersedes Attachment L of the modified Appendix A issued on September 25, 1998. Both the Board and Wood Preservers, Inc. understand and agree that this Amendment does not alter, modify, or amend any other provision of the 1994 Consent Order or the modified Appendix A issued on September 25, 1998, and that the unmodified provisions of these documents remain in effect by their own terms.

And it is so ORDERED this ____ day of _____, 2009.

Department of Environmental Quality
